New Paper Input Forms

Fundraising Ideas

VERSION 2.06

Thanks to some very helpful suggestions about ways to improve CareWorks and a few 'tweaks' of the program, we released Version 2.06. We can help you download this upgrade from the Internet if you would like assistance. Your data will not be affected, only the program is revised.

Toll free 866-274-4462.

NEW PAPER INPUT FORMS

Some users want to be able to "customize" their Paper Input Forms, i.e. Volunteer Application, Timesheets, Receiver Assessment Form, etc. Using the Paper Input Form button from the Main Menu of CareWorks does not allow you to do that. However, if you go to the www.aboutcareworks.com website and check out the FAQ's, you will find brand new, colorful Forms that can be downloaded and saved in Microsoft WORD®. Please feel free to change them any way you would like!

FUNDRAISING IDEAS

Since Faith in Action programs are dependent on donations and grants, perhaps you could use some ideas to help raise funds for your group. Some groups send us their newsletters telling about the successful fundraisers they have had.

For example, discount coupons could be solicited from local merchants and compiled into a Coupon Book. Then, the Coupon Books could be sold to members of the community. OR How about a benefit concert or variety show? OR How about asking some talented Volunteer (or Receiver) to design a Faith in Action Christmas ornament that could be reproduced and sold at the local grocery store or after church? We've even heard of groups that have a potluck supper and ask for donated items such as baked goods, new gift items, gift certificates for lawn mowing (or snow shoveling!) etc. and then they hold an auction for each item.

A HUGE THANK YOU

To those of you who have contacted the National Office of Faith in Action to support CareWorks, we are truly thankful.

HAVE A WONDERFUL HOLIDAY SEASON!!!
