

What Works

A complimentary Newsletter from CareWorks Software

INDIANAPOLIS HERE WE COME!

Tim already has his tickets for Indianapolis May 2nd. He will have his laptop set up in a room provided by Faith in Action to demo CareWorks. Other non-profit software representatives will be in the same room. This is a great way for interested programs to learn about what's available and get their questions answered in person.

DO YOU NEED FUND-RAISING IDEAS?

We can pass along some of the great ideas that we hear about!

From **Onward Neighborhood House** in Chicago, Illinois— "The Children's Benefit League Tag Day is a unique way for agencies that serve children to raise money for their programs. Each agency recruits their own volunteers (or taggers) to collect money at designated outside locations in the city and suburbs. Taggers volunteer for 3 hour shifts from 6am to 6pm. Taggers give the donor a blue & white star-shaped tag in recognition for their support...all money goes directly to programs for children and youth .
(volunteering@onwardhouse.org)

From **Faith in Action Caregivers** in Wheeling, West Virginia— We "sell grocery certificates for Korger, Riesbeck and Giant Eagle and restaurant certificates for Eat 'N Pork. Certificates are used like cash and the purchaser receives full value for the certificate...It is really the grocery and restaurant chains that are supporting the ministry since we receive 5% profit on the grocery certificates and 10% profit on the restaurant certificates."
(faithinaction@1st.net)

GETTING OLDER CAN BE VERY REWARDING!

And here's a wonderful story from the **REACH Caregivers** in Hagerstown, Maryland—"Don Hamburg, a REACH Caregiver, celebrated his 75th birthday with family & friends. In lieu of gifts, REACH received over \$1550.00 in honor of Don. Family & friends from throughout Don's life spoke of how he lives his life and gives to his 'neighbors'.
