POSITIVE FEEDBACK

We are always happy to hear from CareWorks users. Some of the Volunteers in Lakewood, NJ told us that they found CareWorks: Easy to learn, Easy on the eyes, Holding a lot of information, Reports are easily accessible and they really like the "Priority" message feature!

Carolyn Ganley in Honeoye Falls, NY told us she found the program very useful for a new organization just getting started. She likes being able to track volunteers and also to give them information they need before visiting their client. We were glad to hear that Carolyn thinks our Technical help is great, too! We do try!

PAPER INPUT FORMS

If you go to our website: www.aboutcareworks.com and go to the FAQ's, you will see that there are forms that can be downloaded into MS Word. You will find a Volunteer Application Form, Receiver Assessment Form, Receiver Intake Form, Volunteer Timesheets and Member Congregation Summary Form. Even if you don't buy CareWorks, please feel free to download these forms to use with your program.

FUNDRAISING IDEAS

Are your closets overflowing with things you never use or clothes you never wear? Perhaps your program could hold a giant Tag Sale of donated items! Ask for donated baked goods while you are at it to bring in more money!

How about a Flower Sale? Spring is the perfect time to offer annuals that can brighten up gardens and people are always willing to support a good cause.
