## SAD NEWS

We were very, very sorry about the untimely passing of Jack Devlin, the original creator of CareWorks. He was truly dedicated to caregiving and also to the success of CareWorks. Our deepest sympathies to his lovely wife, Barbara Devlin. If you would like to send her a note, the address is Box 1123, Island Heights, NJ 08732.

## CREDIT CARD PAYMENT

In the past, we have had requests to pay for CareWorks with a credit card. Well, now you can! We will gladly accept Visa and MasterCard. We are trying to make it easier for you!

## A NOTE TO CURRENT USERS

Are you worrying that you won't be able to enter Timesheets after December 2005? Please don't worry! We are working on Version 3.0 of CareWorks and extending the drop down box for many years beyond 2005. It will be released before the end of the year. There are many other improvements including an updated look to the Main Menu.

## CAREWORKS COMMENTS

From Candy Bernier, Washington, PA: "This database is tailor made for Faith in Action Programs. I would be lost without it. I cannot think of a reporting need I have had that I was not able to retrieve from this database."... "I use many of the reports in my daily operations: Master Volunteer and Receiver Reports provide phone numbers which I use constantly; the Service Assignments allow me to know what volunteers take care of whom and who I need timesheets from...I can print out individual congregational reports so I can report to a church how much and what their volunteers are doing; the Profile Report is the greatest...we print out Volunteers' birthdates and use it to send them cards."
